Mr. Richard W. Lyman
Office of the President
Stanford University
Stanford, California 94305

Dear Mr. Lyman:

Pursuant to my earlier correspondence with you, enclosed are copies of all available documents which relate to Subprojects 2, 56, 70, 71, 72, 85, and 86 of Project MKULTRA and involve the University in these activities. These materials are in the same form in which they have been made available to the public except that, in order to allow you to judge the nature and extent of the University's involvement, the name of the University has been reinserted wherever it appears in the original documents. The information which remains deleted includes the names of all other institutions and organizations, all individuals, and CIA employees except those who have been publicly acknowledged by the Agency at some prior time.

If you should have further questions after reviewing these materials, please do not hesitate to contact me.

Very truly yours,

A. R. Cinquegrana
Office of General Counsel
